MODULAR ELEMENTS

WHY BELGARD ELEMENTS?

Elements give you the ability to create an outdoor living space that's uniquely yours and to do so at your own pace – be it all at once, or in phases. Each of our distinct collections is comprised of multiple modular units, created to provide you with unlimited design options.

WATER FEATURES

GRILL ISLANDS

BRICK OVENS

BELGARD® ELEMENTS DESIGNED FOR FAST & EASY INSTALL

Elements are delivered already assembled. All you need to do is create the proper base and place the units in the desired location. Follow the steps below and refer to our tips for a successful installation.

INSTALLATION INSTRUCTIONS

Installing Belgard Elements Tips:

- TIP 1.** Always place a piece of material, plywood or carpet work well-between your forks and the Elements to prevent chipping.
- TIP 2.** Always transport the Element on the pallet it comes with until you are ready to place on the permanent location.
- TIP 3.** Make sure to use a ratchet strap to secure the Element to the loader when transporting and placing.
- TIP 4.** Handle Elements with care - they are concrete, but not indestructible.
- TIP 5.** Make sure to size the machine to the Elements weight.
- TIP 6.** All Elements are designed to be buried 4" below finish grade.

Always place a piece of material (plywood or carpet) between your forks and the Elements to prevent chipping. Be sure to review installation instructions for each Element.

Always transport the Element on the pallet it comes with until you are ready to place in the permanent location. Keep a ratchet strap around it until it's set completely.

Pour a level concrete pad to set the Element on. Check local ordinances to see if frost footings are required. (See page 28 for concrete pad installation.)

Place Element on concrete pad. Use plastic shims to adjust for pad imperfections if necessary and exercise caution when setting. Never place hands or feet between the Elements and the pad.

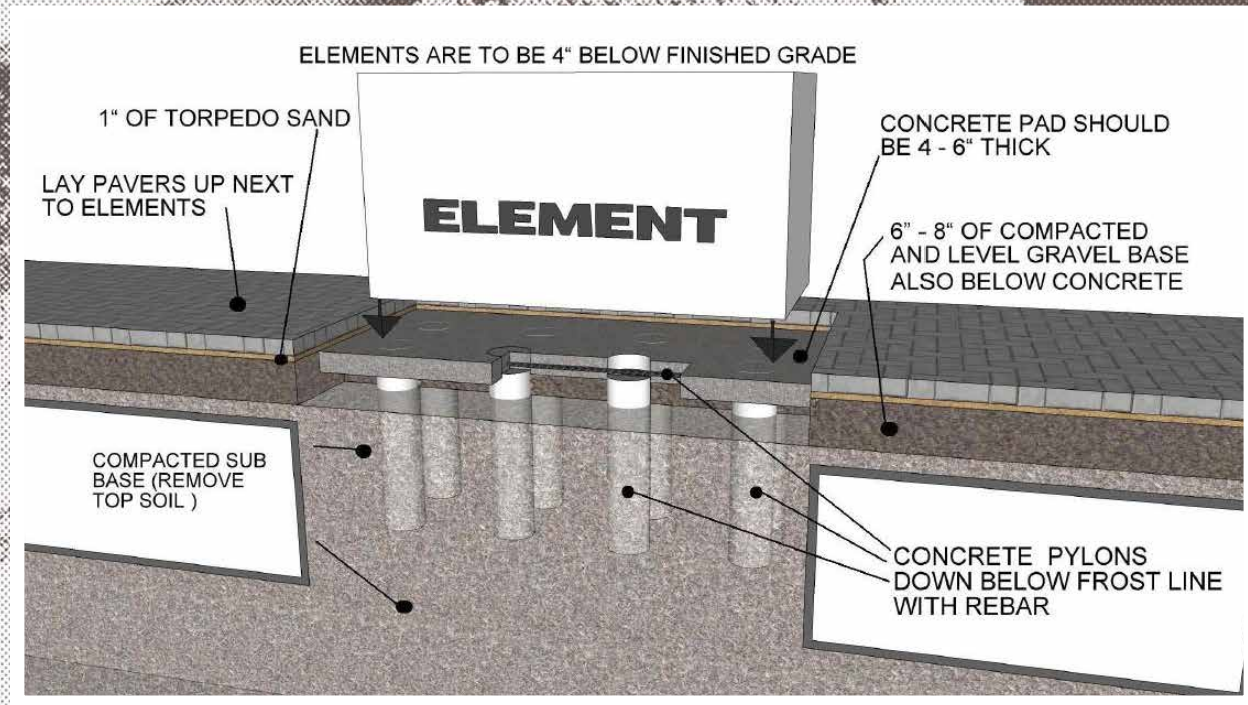

For two piece Elements such as fireplaces and brick ovens, make sure the top section is centered in both directions. It is not necessary to adhere pieces together unless there is a seismic requirement in your area.

Once Elements are set on pad, install all additional items such as flue pipes, termination caps, and stainless (i.e. grill and accessories). At this time also place all "plugs" into fork slots.

CONCRETE PAD INSTALLATION

Here are a couple cross section details to consider. Keep in mind, these are not engineered plans. Make sure you check with your local municipality for their requirements when installing Elements.

Typical Cross Section for Concrete Pad Installation

****The following measurements are a suggestion. Always check your local building codes first.**

BELGARD® WARRANTY

This Element has been manufactured by Belgard Hardscapes, a division of Oldcastle Architectural, Inc. Belgard warrants to the first consumer purchaser (but not to any transferees or subsequent owners) that the Element will be free from defects in workmanship and materials, under normal use, for as long as the Element is owned by such first consumer purchaser, and that the Element, when installed and used in accordance with the written installation manual, shall comply with all applicable federal, state and local laws. If the Element includes a fireplace, it shall comply with the requirements of the Standards for Factory-Built Fireplaces (UL-127). Notwithstanding the foregoing, some third party accessories and components such as fire pit/table pans and screens, gas fire pit components, brick oven domes, fireplace screens, glass doors, and remote controls, water feature pumps and spillways, lighting and electrical, sinks and faucets, stainless kitchen doors, stainless appliances, and countertop material sold with or incorporated into the Element are warranted only for the shorter of the warranty period above or the following specific periods set forth below, and are subject to the limitations described below: Please see specific manufacturer's warranty for more details.

The above warranty periods begin on the date of initial purchase of the Element by the first consumer purchaser. All warranties expire upon any transfer or change of ownership of the Element (or the residence at which it is first installed) to any person other than the first consumer purchaser.

Belgard's sole obligation under this express warranty shall be, at Belgard's option and expense, to replace the Element or part, or to repair the Element or part. Belgard warrants any replaced Element or part for a period of ninety (90) days from shipment, or through the end of the original warranty period, whichever is longer. All Elements or parts that are replaced become the property of Belgard.

Belgard makes no warranty regarding texture, color, color change, efflorescence, fading or other aesthetic characteristics of any Element. Belgard does not guarantee that any replacement components will be an exact match to the color or texture of the original Element.

This limited warranty is void in cases of damage in transit, negligence, abuse, abnormal usage, misuse, accidents, improper maintenance or any unauthorized repair, modification or adjustment of the Element. This limited warranty does not cover labor or other costs or expenses associated with repairs performed by anyone other than Belgard or one of Belgard's authorized agents absent Belgard's prior written consent. Any implied warranties are limited to the duration of this express warranty. Some states do not allow the limitation on implied warranties so the foregoing limitation may not apply to you. In the event that the exclusive remedies provided above fail, Belgard's liability shall be limited to an amount equal to the original purchase price paid by the first consumer purchaser. Under no circumstances shall Belgard be liable for any special, indirect, incidental, consequential, punitive or similar damages, all of which are expressly excluded from this warranty and from any implied warranty arising under state law, including any implied warranty of merchantability and any implied warranty of fitness for a particular purpose, and some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. This limited warranty applies to Elements installed in or at personal residences only. No warranty whatsoever, express or implied, is made with respect to commercial applications.
